

BHS Stage 1

– Care & Riding Course

We are running a 6 week training course with the examination to follow for anyone looking to obtain their BHS Stage 1. To obtain the BHS Stage 1 – Complete Horsemanship you need to pass the following:

- Stage 1 – Care
- Stage 1 – Ride
- Ride Safe Award

During the course our qualified trainers will cover every aspect of the syllabus so that you are fully prepared for the assessment, the evenings will be split so that part of the night is spent working on your riding, and the other part will be a theory session focussed towards the care side. The assessment at the end will then be for the Care and Ride award.

Please note for anyone who doesn't have their Ride Safe Award you will need to complete a separate training course and examination to obtain this.
